Beef 'n Beer/Silent Auction raises \$5,000 for Scholarship Fund

The proceeds from the Beef 'n Beer and Silent Auction go directly to the Alumni Scholarship Fund. This year the Alumni Association raised \$5,000. The annual event is open to all—alumni, their family and friends, as well as the College community. The evening is filled with food, fun, and even great shopping. A wide-array of items are up for auction and bidding becomes quite competitive. At this year's auction, GBC license plates numbered 1-9 were sold to the top bidder along with a 4-night stay at Jamaica's Ritz-Carlton, NASCAR box seats, and gift certificates for local restaurants. Afterwards, sports fans can cheer on the GBC Basketball team during one of their season games. Look for information on next year's Beef 'n Beer/Silent Auction on the College's website, www.gbc.edu.

GBC Board of Trustee member Michele M. Rollins and Alumni Association Past President Tom Wintermantel '84 do a little competitive bidding during the Silent Auction. Auction items are donated by alumni and local businesses.

All you have to do is complete an "application for specialty license plate" form and send in your check for \$30 made payable to Goldey-Beacom Alumni Association. To obtain the form, go to our website, www.gbc.edu or contact Ruth Tingle at 302-225-6210. Remit your check to Ruth Tingle, c/o Goldey-Beacom College, 4701 Limestone Road, Wilmington, DE 19808. Alumni directory update begins in summer

In late summer, Goldey-Beacom College will begin work to update the Alumni Directory. Harris Publishing Company has been engaged to conduct the revision and will contact alumni through mailings and, if needed, through follow-up phone calls. The last Alumni Directory was published in 1999 and was extremely popular among graduates looking for lost acquaintances.

The College currently has over 14,000 alumni on record and the new directory will offer them an opportunity

to list their name, current position, family information, email, and other contact details. Ruth Tingle, Coordinator of Alumni Relations for the College stresses, "This is a wonderful opportunity for our many alumni to find a lost friend...or to be found by others!"

The GBC Alumni Directory should be completed in approximately one year and will be available for purchase. When you receive your mailing from Harris Publishing, complete the simple form and help keep old friends in touch!

GBC receives \$750,000 scholarship gift

Goldey-Beacom College has received a \$750,000 grant from The Goizueta Foundation, located in Atlanta, Georgia. The endowment grant is designated to provide need-based scholarship assistance annually, with preference given to Hispanic/Latino students attending Goldey-Beacom College whose families currently reside in the United States.

The endowment fund will be named The Goizueta Foundation Scholars Fund. New or returning students in any of the College's baccalaureate degree programs may apply through the College's Admissions Office.

The Goizueta Foundation was founded in 1992 by Roberto C.

Goizueta. Mr. Goizueta was Chairman of the Board of Directors and Chief Executive Officer of the Coca-Cola Company until his death in 1997. A native of Cuba and a graduate of Yale University, he delivered the 1992 Commencement Address at the College. His wife, Olga C. de Goizueta currently serves as Chairperson of the foundation.

In announcing the grant, College Vice President Gary L. Wirt stated, "This is a remarkable opportunity for us to help many very talented students who otherwise might find education unaffordable." According to Wirt, it is the largest single endowment gift in the history of the College.

The Alumni Reception gave (left to right) Calvin St. Juste, Clive Williams, and Dinggno Leung an opportunity to network with alumni and catch up with each other before graduation.
