

Federal Verification Worksheet 2025-26

The federal government selected your 2025-26 Free Application for Federal Student Aid (FAFSA) for review in federal verification. Federal Regulations state that before awarding Federal Student Aid, the Financial Aid Office must confirm the information you and your parents reported on your FAFSA. A financial aid administrator will compare your FAFSA with the information on this worksheet and any other required documents to verify your information. If there are differences, the Financial Aid Office may request additional information. ***You and at least one parent must complete and sign this worksheet, attach any required documents, and submit all documents to the College's Financial Aid Office. We may ask for additional information.*** Contact the Financial Aid Office with questions about the federal verification process.
