

Goldey-Beacom College REFLECTIONS

NEWS FOR ALUMNI AND THE GREATER COLLEGE COMMUNITY • WINTER 2016 EDITION

ENTREPRENEURIAL STUDIES COME TO GOLDEY-BEACOM COLLEGE

This Spring, Goldey-Beacom College announced two new academic programs in Entrepreneurial Studies: a Bachelor of Science degree in Business Administration with a Concentration in Entrepreneurial Studies and a Master's degree in Business Administration with a Concentration in Entrepreneurial Studies. Both are for-credit programs and have received the approval of the State of Delaware Department of Education.

On the drawing board for over a year, these two new programs were added in response to student and alumni feedback expressing intense interest in pursuing entrepreneurial ventures. GBC staff report that alumni records are full of talented alumni who have started their own enterprises and shown incredible success. Many have sought specific coursework to help navigate the process.

President Gary L. Wirt is very enthusiastic about the programs, stating "The addition of these programs is in the true spirit of Goldey-Beacom College; in a day and age where business is often seen as regimented, entrepreneurial studies embrace the outside-of-the-box thinking that we always strive to bring out in our students." Academic Dean White agrees adding, "Equipping students with the skills to create and lead initiatives that provide social benefits for profit and not-for-profit ventures and contribute to economic growth is an exciting undertaking. The College is excited to be a part of this opportunity."

The new entrepreneurial coursework will be offered for Fall 2016, though students may enroll and begin related courses now. Contact the GBC Admissions Office at 302-225-6248 for more information.

ALUMNI RECOGNIZE DAG AND RISING STAR INDUCTEES

GBC alumni gathered to honor two of their own at the Distinguished Alumni Gallery Induction Banquet held on September 18, 2015. New DAG inductee Dr. Erika Marsillac '00 MBA, '02 MBA and new Rising Star Luis Santiago '10, '12 MBA were recognized for their commitment to their communities and their achievements in their professional lives.

Dr. Erika Marsillac began her professional career in the health care industry at the advent of managed care with Blue Cross Blue Shield of Delaware and Blue Cross Blue Shield of Hawaii. Her work there, making sure that those in need had the necessary resources to recover and progress, led her to advance her business education at Goldey-Beacom and then pursue further scholarship in Europe and at the University of Toledo. After graduating from the University of Toledo with her Ph.D., Erika joined the faculty at Old Dominion University in 2010 as an Assistant Professor in the Strome College of Business.

Erika has been teaching graduate and undergraduate students since 2004. She considers herself a "realistic idealist", i.e. teaching students how things should be done, but recognizing that practical application requires adaptation. At Old Dominion University, Erika teaches graduate and undergraduate courses in the Maritime and Supply Chain Management area, and her professional experience

has included work in the nonprofit, health-care and renewable energy sectors. Her research interests now focus on green supply chain management, sustainable manufacturing and international partnerships.

Erika is an active educator and scholar whose research has been published in numerous international peer-reviewed journals and presented at conferences. Erika considers

every experience as a contributor to success, pointing out, "Everybody knows something you don't. Share your something, find out theirs and weave them together into something better." Goldey-Beacom is pleased to welcome Erika into the Distinguished Alumni Gallery.

In addition, Luis Santiago was named the Rising Star. The Rising Star Award was established in 1997 and is presented each year at the Distinguished Alumni Gallery Dinner. This award is given to an outstanding graduate of GBC (age 40 or under) who has excelled in both professional and community activities. Mr. Santiago graduated from Goldey-Beacom College where he earned both his Bachelor of Science degree in Business Administration with a Concentration in International Business '10 and his Master's degree in Business Administration with a Concentration in Finance '12. Luis is Vice President, Senior Auditor at Bank of America in Wilmington, Delaware where his duties include providing anticipatory risk coverage throughout Consumer Banking, Global Wealth Management and Global Banking and Markets lines of business. In addition to these responsibilities, he is very active in the community and has served as the Director of Corporate Affairs for the Delaware Chapter of the Association of Latino Professionals in Finance and Accounting (ALPFA) from 2011-2013. He serves on the Finance Committee as a Trustee at the Discipleship of Christ Community Fellowship Church in Claymont, Delaware. Mr. Santiago also serves on the Board of Directors of the Family Counseling Center at St. Paul's and is President of the GBC Alumni Association.

Best wishes to both Erika and Luis for their continued success, prosperity and happiness.

Dr. Erika Marsillac

Luis Santiago

GBC ALUMNI COMPETES IN PHILLY TRIATHLON

Jeff Bollinger '85 competed this past July in the Philly Triathlon in Philadelphia, PA. The event included a 25-mile bike ride and a 6.2-mile run. Unfortunately, the swim portion was canceled due to bad weather. The Philly Triathlon offers a fun atmosphere for triathletes of all levels to race toward a red carpet finish. Jeff has competed in numerous sprint triathlons in the past but this was his first Olympic Distance race.

Jeff graduated from Goldey-Beacom College in 1985 and is a full-time realtor with Berkshire Hathaway Homes Services in Hockessin, DE.

He was recently recognized by Berkshire Hathaway's Marketing Center for being an office leader in volume and units helping more than 1,000 clients and achieving a record of over \$225 million in sales volume since 1986. Jeff is a lifetime member of New Castle County Board of Realtors Million Dollar Club. Congratulations to Jeff on his many accomplishments!

DELAWARE'S TEACHER OF THE YEAR HONOR AWARDED TO GBC ALUMNA SANDRA HALL '83

North Smyrna Elementary School fourth-grade teacher, Sandra Hall, has been selected as Delaware's 2016 Teacher of the Year. Sandra was chosen to represent the state from a pool of 9,000 educators who were then narrowed down to 19 teachers representing each school district in the state. Nominees for the award submit a portfolio explaining their teaching philosophy which was then evaluated by five staff members from the Delaware Department of Education. The winner goes on to compete in the national program and will serve as the face for all teachers in the state.

"As teachers, we must get to know our students, understand where they come from and discover their stories," she said. "A few test scores cannot tell us this. While we understand we must be held accountable for our data, we must take the time to know the children behind that data." Sandra graduated from Goldey-Beacom College in 1983. Congratulations to Sandra on this prestigious and well-deserved award!

ALUMNI BOARD UPDATE

Evern D. Ford

The GBC Alumni Board welcomed two new board members at its December meeting. The new members are:

Evern D. Ford '97: BS Business Administration /Marketing Management. Evern is the founder and CEO of EDF & Associates, a human resources diversity and management consulting firm. He is a recipient of the Goldey-Beacom College Distinguished Alumni Gallery Award and is a member of the Society of Human Resources Management (SHRM) and Delaware SHRM.

Denzel T. McColley '13, '14 MBA: BS Accounting, Master's Degree Business Administration/ Human Resources Management. Denzel is a staff accountant with CDI Corporation, Philadelphia, PA. Previously, he worked as a financial analyst with InstaMed Holding Company.

Denzel T. McColley

GOLDEY-BEACOM COLLEGE 2016 ANNUAL FUND

Since graduation, have you achieved greater?
Will you help a current GBC student *achieve greater*?

If you've answered yes to both questions, our students need your investment now more than ever.

Did you know:

- **100 percent of our students receive a scholarship or tuition assistance.**
- **Most GBC applicants are first-generation college students.**

Alumni and friends, that is why your support is so important to the **2016 Annual Fund**. This year, over 2,000 students need scholarship assistance and financial aid. Your gift, large or small, will support much needed tuition assistance for these deserving students. Your donation will make a difference!

GBC needs your help now to ensure academic and career success for talented students who are following in your footsteps. Will you help a student *achieve greater* today?

Call now while the **2016 Annual Fund** is in full swing. You can make your gift by calling Janine G. Sorbello, Director of External Affairs (302) 225-6261 to use your credit card; or mail your check to: Goldey-Beacom College, Development Office, 4701 Limestone Road, Wilmington, DE 19808.

The future alumni thank you and are extremely grateful for your generosity.

MIDDLE STATES COMMISSION ON HIGHER EDUCATION RENEWS GBC ACCREDITATION

At its March 3, 2016 meeting, the Middle States Commission on Higher Education voted to reaffirm the accreditation of Goldey-Beacom College, with the next evaluation visit due in 2026.

The decision to reaffirm the College's accreditation followed the submission of an extensive self-study report detailing the school's progress, a seven-person evaluation team visit in September and a final review by the Commission's Committee on Evaluation Reports which makes a recommendation for action to the full Commission. The College was last visited in 2006 and has been continuously accredited since 1976.

In announcing the decision, President Gary L. Wirt remarked, "This is a tremendous seal of approval for our programs, faculty and services. We are extremely excited and proud that our commitment to quality was recognized in this way. This provides confidence in our programs for potential students, parents and employers." Wirt went on to point out that regional accreditation allows colleges and universities to qualify for federal financial aid and for students to transfer credits to other institutions. Many employers also require graduation from an accredited school to gain employment.

Academic Dean Alison White, who served as self-study co-chair, pointed out, "The accreditation review carefully evaluates every aspect of a college's operations, from facilities to curricula, and from faculty to graduation rates. It's an intense and detailed look at an institution's health, strength and rigor."

HAPPENINGS

GRADUATION

Friday, May 6, 2016 at 3:45 p.m. The College is proud to announce that approximately 400 students will be recognized in the Class of 2016.

ALUMNI NIGHT AT THE BLUE ROCKS

Join your fellow alumni and friends for a fun night at the Blue Rocks, sometime in the Summer of 2016. Contact Ruth Tingle at 302-225-6210 or tinglert@gbc.edu for more information.

DISTINGUISHED ALUMNI GALLERY DINNER AND AWARDS

The Distinguished Alumni Gallery Dinner and Awards ceremony will be scheduled for fall of 2016. More details to follow in the coming months. If you know a GBC graduate that you would like to nominate for the DAG Award or for the Rising Star Award, please contact the Alumni Office at 302-225-6210.

Proceeds from alumni events support scholarships for Goldey-Beacom students.

HOMECOMING 2016

Mark your calendar for Homecoming, Saturday, October 1, 2016. Starting at noon, rain or shine, this is a great way to reconnect with classmates. This is a fun day for all ages - filled with sports, tailgating, music, moon bounce and more! It's time to gather together with College friends and remember the "good old days." For more information, contact Ruth Tingle at 302-225-6210 or tinglert@gbc.edu.

GBC ANNOUNCES TOM RILEY AS ITS FIRST BASEBALL COACH

The re-instatement of Goldey-Beacom's baseball program will begin in 2017 under the leadership of Head Coach Tom Riley.

Riley does not have far to travel, spending the last three seasons as an assistant coach for Delaware State University. He was responsible for multiple aspects of the baseball program including recruiting, monitoring academic development, heading the team's Dugout Club for fundraising, leading the program's baseball camps and overseeing field maintenance.

Riley is no stranger to the Central Atlantic Collegiate Conference, having been an assistant coach at Dominican (NY) College from 2001-04. He served as hitting coach for two seasons with the Chargers batting at least .309 each year and two seasons as pitching coach with the squad leading the CACC in ERA and strikeouts both years.

Dominican won three CACC titles in that stretch and had 13 all-conference players, nine all-region members and one All-America. The Chargers also saw eight players play professional ball and two pitchers in 2002 drafted by the St. Louis Cardinals.

Riley graduated the United States Sports Academy in 2013 magna cum laude with a degree in Sport Studies. He is working on his Masters in Sport Administration.

"We are excited to announce the hiring of Tom Riley as our head baseball coach for our inaugural season in 2017," Director of Athletics Chuck Hammond said. "Tom's experiences at Delaware State and Dominican College have given him the tools necessary to build and

develop a solid program that will make the college and local community proud. Having over 300 applicants for the position, our search committee worked hard identifying the qualities that we are looking for from our head coach. Through that, we learned Tom possesses these qualities and we are excited to see him put together our first recruiting class. I personally would like to welcome Tom and his family to Goldey-Beacom College."

During the Fall 2016 semester, Goldey-Beacom will welcome back baseball as the College's 11th sport. The team will play its home games at the Piedmont Baseball League field in Hockessin, DE.

While baseball will be new under the name Goldey-Beacom College, it actually will be a re-instatement for the institution. Baseball was played at the former Goldey College as early as 1922 and continued into the 1950s. This included an undefeated season in 1935 and the Atlantic Coast championship (no affiliation with the current Atlantic Coast Conference) in 1947.

JOE KISSEL NAMED USTA DISTRICT COLLEGE COACH OF THE YEAR

Women's Tennis Coach Joe Kissel, who has accomplished a great deal during his time with Goldey-Beacom, has been named the Delaware District College Coach of the Year by the United States Tennis Association.

In the calendar year, Kissel helped GBC make history as the squad defeated Chestnut Hill, 5-3, in the first round of the NCAA Tournament. That win marked the first head-to-head NCAA Tournament win for any sport in school history.

The Lightning (18-5) that season also ended 31st in the country, fourth in the East Region, broke the school record for most victories and tied the school record with 10 shutouts. They made their fifth appearance at the NCAA Tournament in the last six seasons and played in the Central Atlantic Collegiate Conference final for the fourth time in the last six years.

The squad this fall made it back to the conference tournament for an eighth straight

year and produced the league's Rookie of the Year in Merel Ann Van Zanten (Velsbroek, Netherlands).

In his 10th season, Kissel has led GBC to 99 victories and three times (2008-09, 2009-10, 2014-15) has been named the league's Coach of the Year. He was honored in 2009 as the USTA Middle States Delaware District Community Tennis Coach of the Year for building GBC tennis into a highly competitive program in only four years.

GBC ATHLETICS CITED FOR BEING AN NCAA DIVISION II AWARD OF EXCELLENCE FINALIST

Goldey-Beacom's commitment to community service received official recognition by the NCAA which commended the College in being a finalist for the Division II Award of Excellence.

Each finalist, one representing each Division II conference and an independent representative, received \$500 for its event or activity in 2015 that exemplifies any of the six Division II attributes: learning, balance, resourcefulness, sportsmanship, passion and service.

On October 30, GBC held the Halloween 5K Costume Run and Fun Walk. Student-athletes, along with many other students, faculty and staff came dressed in their best costumes for a day of fun. Participants enjoyed great food as well as games including Corn Hole and Soccer Pong.

The main focus was the WSTW Bras for the Cause partnership with GBC and the Delaware Breast Cancer Coalition.

The event raised money and awareness. GBC worked with 93.7 WSTW FM and the Wake-Up Crew to collect 1,549 bras, which were configured into a giant pink ribbon.

The Wake-Up Crew with Nancy Johnson and Robin Bryson broadcasted at GBC that morning, conducting interviews with several GBC student-athletes as well as many breast cancer survivors. The Delaware Breast Cancer Coalition also was on site, providing survivors for the interviews as well as information regarding breast cancer awareness.

GBC HOLDS RIBBON CUTTING CEREMONY FOR FITNESS CENTER

Goldey-Beacom College's Department of Athletics on August 24, 2015 took a major step forward with the opening of the campus' new Fitness Center which is available for all students and faculty.

The new facility features many new and popular workout machines that will track progress in comparison to previous workouts. The facility has been well received and appreciated by all who have taken advantage of it.

"When designing our new Fitness Center, we wanted to create a space that could accommodate the needs of our students, faculty and staff," Director of Athletics Chuck Hammond said. "No matter what your fitness goals, I believe our new Fitness Center serves as a great place to improve your health and have fun with your friends. Since opening the new center, we have seen a dramatic rise in the usage of the facility. We are thrilled for the new addition to our campus."

"As a NCAA Division II program, the Fitness Center embodies the vision for the future, allowing athletes to train in an optimal environment to support their determination for success," women's soccer junior and athletics intern Courtney Casterlin said.

Facilities hours are located on the GBC Athletics website at GBCAthletics.com

Pictured at the ceremony with President Gary L. Wirt are (l-r) Valarie Orth, Dan Bennett, Logan Jones and Courtney Casterlin.

GBC ATHLETICS SPREADS HOLIDAY CHEER TO LOCAL FAMILY

The Goldey-Beacom College Student-Athlete Advisory Committee (SAAC) on December 18 came together to spread a little holiday joy to a family in need.

Two single mothers, who are sisters living together with their eight combined children, recently lost their home. Faced with a choice between providing gifts for the children or putting a roof over their heads, it seemed this year that the holidays would not be the same.

The SAAC, during a November meeting, decided they would like to start a Sponsor-A-Family program for the ensuing holiday season and help a less-fortunate family. After reaching out to a nearby church in hopes of finding a family, the committee was linked with this very deserving group.

In the first week of December, the SAAC began soliciting food, toy and monetary donations to help support the family. One of the biggest events was the Men's Basketball Camper Day on December 11, during which over \$100 in monetary donations and over 30 toys were garnered from the families of the children who attend the team's summer camp.

In addition, the overwhelming generosity of the entire Goldey-Beacom family produced an enormous amount of donations which included gift cards, over 50 pounds of assorted food items, over \$200 in monetary donations and over 20 assorted pieces of GBC Athletics attire. All monetary donations were used to purchase gift cards to Wal-

Mart and Acme for additional gifts.

The mothers and the eldest pair of twins came to campus to collect the donations and were met by multiple SAAC members including Secretary and women's basketball student-athlete Marisa Howard, women's soccer student-athlete Natalie Waltz and SAAC Advisor Jeremy Benoit.

MR. & MS. GOLDEY-BEACOM

Despite the inclement weather that prompted cancellation of the 2015 Goldey-Beacom Homecoming festivities, a new Homecoming King and Queen were still elected. Students attended the homecoming pageant and induction ceremony indoors in the Rollins Atrium. Peers selected the winners through online voting.

Congratulations to Jazz B. Lewis, the newly crowned Mr. Goldey-Beacom and Quameshia K. Callwood, the newly crowned Ms. Goldey-Beacom. A junior, Jazz is a student-athlete who is planning to graduate in May 2017 with a Bachelor of Science in Business Administration with a Concentration in Health Care Management. Quameshia is a senior who will graduate in May 2016 with a Bachelor of Science in Accounting. She is enrolled in the GBC graduate program for Fall 2016 where she will serve as a graduate resident assistant.

CLASS NOTES

MILESTONES

Laura A. Biddle '11 was promoted to vice-president branch sales and operations at Artisans Bank. Our summer edition of "Reflections" cited a promotion to Assistant-Vice President which was incorrect. Congratulations to Laura and our apologies for the error.

Chadwick Milton '08 of Bumpers & Company Wilmington, DE was chosen as one of the 2015 "Top Ten Public Accounting Professional Rising Stars" in Delaware. The award recognizes outstanding public accounting professionals who have been practicing for less than 15 years. Chadwick earned both his bachelor's degree and his master's degree at Goldey-Beacom College. The Goldey-Beacom College community is proud of his accomplishments.

Suzanne E. Sebastian '83 joined the Delaware Sustainable Energy Utility as its new program manager. Suzanne has 30 years of experience in managing energy programs, most recently managing Delaware's Green Energy Program. Congratulations to Suzanne!

Adam L. Stachecki '15 is the third generation of the Stachecki family to be involved in the operation of The Little Grocer in Dover, DE. The Little Grocer is a combination grocery store / sub shop founded by Adam's grandparents Mike and Jane which is now operated by his father Todd and himself. We wish Adam and his family continued success.

FIRST MRS. DELAWARE TO MAKE SEMIFINALS AT MRS. UNITED STATES PAGEANT

For the first time, the Mrs. United States Pageant had a First State winner standing in the top 15 finalists. Christine Rich '08 '12, a former professional cheerleader, not only secured the semifinalist position but received the Overall Evening Gown award for the highest score out of all the state delegates at the 2015 pageant in Las Vegas, NV. Christine received her bachelor's and master's degree from Goldey-Beacom College. She lives in Dover with her husband and son and is currently working on her doctorate. Christine also works as a high school business and marketing teacher.

Unlike traditional pageants, the Mrs. United States Pageant allows married contestants ages 21 and over, with or without children, to compete in three areas: personal interview, swimsuit and evening gown. State delegates ranged in age from their early 20's to their mid 50's. A skin cancer survivor, Christine's year of service addresses Skin Cancer-Early Detection and Education.

Christine said, "After three solid attempts for the Mrs. Delaware United States title, I never thought in a million years that I would hear "Delaware" called into the top 15, let alone be awarded with the top evening gown presentation award. It is proof you can achieve anything that you set your mind to, even if you are from a small state." Congratulations to Christine on her success!

GBC ANNOUNCES PARTNERSHIP WITH THE DELAWARE 87ERS

Goldey-Beacom College proudly announced a partnership with the Delaware 87ers, the National Basketball Association's Development League affiliate of the Philadelphia 76ers.

The 87ers will practice on campus at the Joseph West Jones College Center and will have GBC signage displayed during their home games at the University of Delaware. The squad also will offer two internship positions in 2016 for Goldey-Beacom College students.

The 87ers held "Goldey-Beacom College Day" on February 19 during their game against the Maine Red Claws. The College received special on-court recognition with President Dr. Gary L. Wirt and Executive Vice President Kristine Santomauro each receiving an 87ers jersey.

"We are excited to launch this partnership with the Delaware 87ers," Goldey-Beacom Director of Athletics and Men's Basketball Coach Chuck Hammond said. "Our shared commitment to the local community allows the 87ers and Goldey-Beacom College to increase our impact while increasing the visibility of the institution and professional athletics in Delaware."

"This valuable partnership with Goldey-Beacom College allows us to expand our reach in the Delaware community as well as provide our team the resources and accommodations to help them succeed on the court," 87ers Chief Operating Officer Larry Meli said. "Our focus is to also give Goldey-Beacom the platform at 87ers games to reach the many aspiring students that want to realize their dream of attending college."

RUTH ANN BEIDEMAN '87 BECOMES CHAIR OF THE "SUSSEX COUNTY'S ADVISORY COMMITTEE ON AGING AND ADULTS WITH PHYSICAL DISABILITIES"

GBC Alumni and Milford resident Ruth Ann Beideman '87 has taken the chairperson reins from Sally Beaumont of the "Sussex County's Advisory Committee on Aging and Adults with Physical Disabilities".

Established by Sussex County Council in 1988, the mission of the Advisory Committee is "to promote and advocate for the benefits of older and disabled Americans of Delaware, and Sussex County in particular; increasing the dialogue, giving support, assistance, and advice on significant programs of the aging."

Ruth Ann retired from Wilmington Trust after 33 years. She then started helping at the Milford Senior Center where she was hired as a part-time outreach worker.

We applaud Ruth Ann for her selfless dedication and effort. The Goldey-Beacom College community is proud of her hard work and the example she sets in the community.
